

Disclaimer (Advanced)

The information contained in this Weblog and on this site is provided for informational purposes only, and should not be constructed as medical advice on any subject matter. No reader of content from this site should refrain from seeking the professional opinion of a physician on the basis of any content included in this site. The content of this Weblog contains general information and opinions based upon research and personal experience. Please keep in mind that everyone's body is different and responds to treatment whether physician approved or home remedy differently. Sheveland Beard and all persons associated with any research contained on this site expressly disclaims all liability in respect to medical treatment sought or not sought based on any or all the contents of this Weblog. Any information sent to this Weblog is not secure nor does this Weblog warrant such. Any information posted and shared by any site viewer is done at the discretion of the viewer. Those items not deemed appropriate for the Weblog will not be posted or shared. Some links within the Weblog may lead to other Weblogs including those operated and maintained by third parties. This Weblog includes these links solely as a convenience to you, and the presence of such link does no imply a responsibility for the linked site or an endorsement of the linked site, its operator, or its contents.

This Weblog and its content are provided for informational purposes only. This Weblog is provided to share information and provided its viewers with research on additional resources for physician based treatments. This Weblog nor its agents cannot advise in medical conditions or recommend dosages of supplements. This Weblog is not advising that you avoid surgery especially if your symptoms are life threatening. This Weblog is based on my personal experience, as well as the journey of other women. Please consult a physician in your attempts to shrink your fibroids naturally.

Furthermore, Sheveland Beard and this site or any of its agents do not wish to act as physicians, hold themselves out as physicians, imply that they are physicians, or provide treatment to anyone desiring an alternative to physician prescribed medication based upon viewing this Weblog in a state where this Weblog fails to comply with all laws.

Reproduction, distribution, republication, and /or retransmission of material contained within this Weblog is prohibited unless the prior

written permission of Sheveland Beard or any agents acting on behalf of the Weblog has been granted.

Peace, love, and Positive Energy,
Sheveland
